

AMPro Summer School 2019

Eibsee Hotel,
Am Eibsee 1-3, 82491 Grainau/Garmisch-Patenkirchen

Preliminary Agenda

Wednesday, September 25th

13:00- 13:45	Registration	
13:45- 14:00	Welcome Remarks Aurelio Teleman, DKFZ Heidelberg	
14:00- 14:45	Key Note Lecture 1: "Genetic and epigenetic deregulation of adult stem cells" Allison Bardin, Institute Curie, FRA	
14:45- 16:30	Session 1: Stem Cell Function and Tissue Maintenance (Work package 3) Chair: Michael Milsom, DKFZ Heidelberg	
	"Bad blood: hematologic aging from a stem cell perspective" to be announced to be announced to be announced to be announced to be announced	Michael Milsom Student 1 (each 12+3 min) Student 2 Student 3 Student 4 Student 5
16:30- 17:15	Coffee Break and Poster Session (Posters 1-10)	Short talks at the poster: 1, 3, 5, 7, 9 (each 2 min)
17:15- 19:00	Session 2: Inter-organ Signaling (Work Package 2) Chair: Rudolf Kaaks, DKFZ Heidelberg	
	"Body composition, metabolic profiles and cancer risk" to be announced to be announced to be announced to be announced to be announced	Rudolf Kaaks Student 6 (each 12+3 min) Student 7 Student 8 Student 9 Student 10
19:00- 20:30	Dinner	

AMPro Summer School 2019

Thursday, September 26th

09:00-10:30	Session 3: Joint PhD projects Chair: Tilman Kühn, DKFZ Heidelberg	
	to be announced	Student 11 (each 12+3 min)
	to be announced	Student 12
	to be announced	Student 13
	to be announced	Student 14
	to be announced	Student 15
10:30-11:15	Coffee Break and Poster Session (Posters 1-10)	Short talks at the poster: 2, 4, 6, 8, 10 (each 2 min)
11:15-12:00	Key Note Lecture 2: "Adipose tissue expandability, lipotoxicity and the metabolic syndrome" Antonio Vidal-Puig, University of Cambridge, GBR	
12:00-15:00	Hike around the Eibsee or Free Time Lunch Package	
15:00-16:00	Session 4: Career Symposium Chair: Tobias Schafmeier, HMGU Munich	
	"Research Management – An Alternative Career Path?"	Tobias Schafmeier
	to be announced	Industry 1 (each 10 min)
	to be announced	Industry 2
	to be announced	Industry 3
	to be announced	Industry 4
16:00-16:45	Coffee Break and Poster Session (Posters 11-20)	Short talks at the poster: 11, 13, 15, 17, 19 (each 2 min)
16:45-18:15	Industry Exhibition or Short Meeting Work Packages	
18:15-19:00	Key Note Lecture 3: "Environmental temperature and longevity" Barbara Cannon, The Wenner-Gren Institute, Stockholm University, SWE	
19:00-20:30	Dinner	

AMPro Summer School 2019

Friday, September 27th

09:00-10:45	Session 5: Metabolic Pre- and Re-Programming Chair: Dan Ehninger, DZNE Bonn	
	“Intergenerational influences on health and aging” to be announced to be announced to be announced to be announced to be announced	Dan Ehninger Student 16 (each 12+3 min) Student 17 Student 18 Student 19 Student 20
10:45-11:30	Coffee Break and Poster Session (Posters 11-20)	Short talks at the poster: 12, 14, 16, 18, 20 (each 2 min)
11:30-12:15	Key Note Lecture 4: “Adipose tissue plasticity and composition and the regulation of metabolism” Christian Wolfrum, ETH Zürich, CHE	
12:15-12:45	Prize “Best Poster” and “Best Talk” Closing Remarks Stephan Herzig, HMGU Munich	
12:45-13:45	Lunch Buffet
